Maths and Science

Courtyard Renovation

Small Playground renovation

Astro Turf

Sand and gravel

Year 6 dictionaries

Year 6 leaving party

Discussions have already taken place around spending plans for the remainder of the profit and we will keep you posted in the new term to announce these.

As most of you know the PTA is a volunteer led charity, set up for the specific purpose of raising much needed funds for our children's educational experience. The current core PTA committee consists of five very hard-working individuals. In addition, they are supported by a dedicated team of class representatives and a hardcore team of dedicated volunteers. It is the efforts of those who turn up and do their bit which makes the above fund raising and spending possible.

This new team has worked tirelessly for the past year to install some new systems and processes to help streamline the events going forward. You will all have noticed the new classlist leaflets in the school book bags. This is a direct channel of communication from the PTA to the parents and we hope you all log on to receive the information as it is here where we will be posting the news of the spending plans and new events going forward.

We sincerely hope that as many parents as possible get involved and volunteer as early as possible to ensure that the next year is an even bigger and better success and that we raise even more money next year.

The next PTA meeting will be September 11<sup>th</sup> at 7pm. This is the Annual General Meeting and we need a minimum of 15 people to be there. We do hope you can join us for the hour.

We are always interested in hearing about new ideas for fund raising initiatives and are especially keen for new parents with ideas who can take the lead and own the event with the full support of the PTA.

If you would like to contribute towards making a difference to your child's or children's primary school experience, please do come along to the monthly PTA meetings. The next one is on Monday, September 11<sup>th</sup> 2017.

Many thanks again for your support, we know our children appreciate it.

The PTA Team
