

Enrichment at Moss Hey

Friday afternoon is **Enrichment time!** Here at Moss Hey we focus on developing good behaviours for learning, and also developing good behaviours for life.

Our Enrichment afternoon is therefore a time to focus on areas of learning above and beyond the set curriculum and delve into **Key Skills** that we believe children need to become successful in their future learning and life.

Our Golden Thread of values (respect, tolerance, kindness, friendship and happiness) runs through everything that we do and say and underpins our enrichment activities.

Working with the pupils, we then delved deeper into these values to establish some **Key Skills**. These key skills are Cooperation, Independence, Self-Awareness, Communication and Creativity.

These are represented through the following characters:

Communication Cameran	Independent India	Cooperation Colin	Creativity Coco	Self-Awareness Seth

Every second half term, on a Friday afternoon from 1:30-3pm, all children from Reception to Year 6 take part in an **Enrichment activity** that lasts for 4 weeks.

Our enrichment afternoons are an excellent opportunity for parents to come in and work alongside their children. Our links with the community come into their own as the local church runs enrichment activities too.

Feedback from pupils and parents is extremely positive; they love working with different age groups, different

adults and on different subjects.

A sample of the Enrichment opportunities on offer are: Forest School, Current Affairs, Crystal Maze, Legotastic, Global Awareness, Animation, Business Enterprise, Computer Technology, and Gardening
