

Improving connections for people in Pembrokeshire

Supporting you to live well day to day.

Connecting you to information, local services & activities

A free & confidential service for anyone in Pembrokeshire

Are you a local group and would like to register/promote your organisation/activities on infoengine/Dewis?

What can a connector do for you?

We can support you to take positive steps to improve your health & well-being, increase your social interaction and help you enjoy a more independent life within your community.

Through having meaningful conversations, we can provide information on local activities, services & groups to suit your individual interests & widen your social network.

One to one, person centred service

We will spend time getting to know you and what matters to you. We can work together to help you take the next steps. For those who need extra assistance, we can help you liaise with other service providers to help you get the support you need.

Volunteering Opportunities
We can provide information on current volunteering opportunities in your neighbourhood.
